"Untold Agony from Catarrh."

Prof. W. H. ASHNER, the famous medical man
of Ithaca, N. Y., writes: "I was a creature
from earth for three years. At first I could
not walk, because I was constantly hacking
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Finally, I was
so weak that I could not get out of bed, and
I am now a well man. I believe it to be the
only sure remedy for catarrh now manufactured,
and one has only to give it a fair trial to
experience astounding results and a permanent
cure."
